Below are four patterns for you to use for doodling your eggs. Simply take your design and doodle across your egg in pencil. When you are ready apply colour. Decorate and have fun!

.....

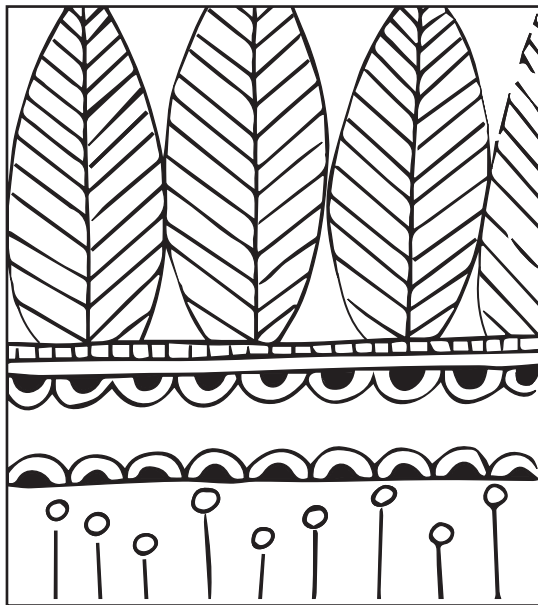

Now that you have done a few eggs, are you ready to *try your own doodle?*

.....

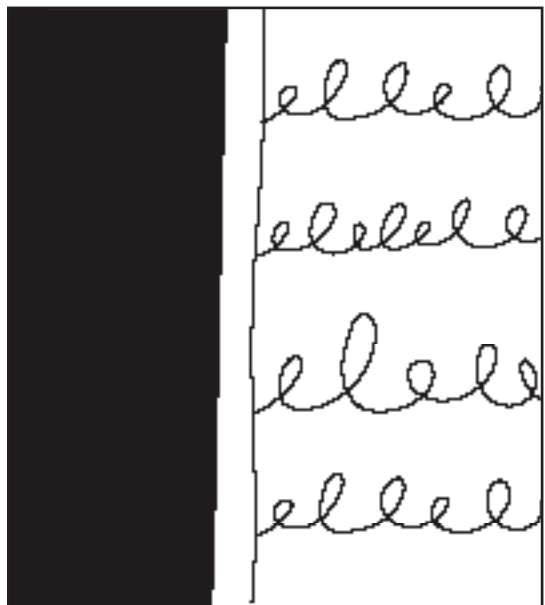

STEPS TO FOLLOW

- 1) Poke two holes in the ends of a raw egg.
- 2) Blow the egg yolk into a dish and ensure all yolk is out of the egg.
- 3) Rinse egg with water and let dry.
- 4) Draw your doodle on the egg in pencil.
- 5) Pick all your favorite paint or marker colors.
- 6) Apply color. If you prefer a background colour dip your eggs in food colouring.
- 7) When dry, doodle on top.
- 8) Find a lovely way to display your doodle eggs!
